

SEASTAR™

TOURNAMENT SERIES HARDWARE & TIEBAR KIT

This kit is designed for use with SeaStar Tournament Series Cylinder(s) part # HC6845 ONLY. SeaStar Solutions recommends that all work is performed by a qualified marine technician to ensure the correct and safe installation of the steering system.

The components included in this kit are highly engineered and safety tested to ensure system integrity, **DO NOT** substitute any component with non-SeaStar components as this may compromise system performance/reliability.

Installation Instructions

NOTICE

For the correct installation instructions you **MUST** refer to your Installation Instructions and Owner's Manual, Book 48 (part # 383110) shipped with your steering cylinder(s). If you do not have this Installation Instructions and Owner's Manual one can be obtained by contacting SeaStar Solutions Technical Support in one of the following ways;

- www.seastarsolutions.com
- Phone: 604-248-3858
- Fax: 604-279-2202

⚠ WARNING

Failure to adhere to the correct installation and torque settings as specified in Book 48 may lead to separation of components resulting in loss of steering control causing ejection from vessel, or collision with objects leading to property damage, personal injury and/or death.
