

Subject: Displays no longer available

Date: June 26, 2019

Dear Customer,

Dometic has been informed by the supplier of the display, that an IC needed to manufacture the display is no longer available. Dometic has to commit to a quantity in order to fill any orders. As a result, Dometic is requesting that you inform us by July 31, 2019 with the quantity needed along with purchased orders.

Dometic will schedule deliveries of the orders to be completed by Dec 22, 2019. After this period, we will no longer sell and ship this product.

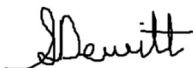

There is no drop-in replacement available from Dometic.

Dometic will keep a limited supply for warranty purposes however we could also reimburse the value of the display under the warranty policy.
